GRADING POLICY AND PROCEDURES

The grading formula for six week grades is as follows: 60% Test and or Major Projects and 40% Daily, homework or participation. Each six weeks we need to have a minimum of eight (8) daily grades and a minimum of three (3) major grades per class. We also need to make sure that we are continuously updating grade speed, with current grades. I know this takes time, but parents have regular access to grade speed, so we need to be up to date as much as possible.

Like years past, you will be collaborating in Project Based Learning Assignments, which will require more class time. Since most projects will have several phases (steps) you will still have plenty of opportunities for daily grades and the final project can be a major (test) grade.

House Bill 2033, states that a student's grade must reflect their content mastery. Students are to receive the grade they earn on all assignments and report cards.

Also our expectations will be that no student will turn in unacceptable work. If it is not done or not done correctly, we need to assign them to morning tutorials or detention that very same day and continue to assign them until acceptable work is turned in. Please make sure a student is aware of his/her tutorial or detention and please make sure they have their work to complete.

Grades Pre-K – Kindergarten will use a skills-based grade reporting system. Any changes to the skill sets currently in place should be approved by Mrs. Althof.

Grading for students in grades one through five will be composed of an average of three categories: Daily grades, Major grades, and Summative assessment grades. Daily grades (class work or homework) will count for 40% of the average. Major grades (test, projects, and special assignments) will comprise 40% of the average. Summative assessments, given every six weeks to determine a student's proficiency in knowledge and skills, will comprise 20% of the average.

Elementary students who do not complete their work will be assigned ATW (4:00-4:30).

Junior High and High School Teachers may use a different grading policy if they have a policy in place (written syllabus) and is approved by the administrator, before school starts.

Remember that if a student is not doing their work it is a disciplinary issue and we want to fix it right away.

Reminders for Teachers

Accidents – If a person is injured in your class or while under your supervision, be sure to fill out an accident report and file in office.

After School – Sponsors of after school activities are not to allow students back into the school facilities unless under their direct supervision. Sponsors are responsible for securing the facilities before they leave.

***Announcements** – The Elementary will be meeting daily for morning announcements in the Elementary Library. The High School will meet every Monday, Wednesday, and Friday in the Cafetorium, for morning announcements. On Tuesday and Thursday, the first period teacher will conduct announcements in their classroom.

Assessments – We must continuously assess the progress our students are making. Formative assessment should happen daily and summative assessment will be conducted at the end of a Chapter or Unit. Everyone needs to be prepared to conduct a six week assessment test, in Eduphoria, based on the TEKS/Objectives your class has covered according to the Scope and Sequence in TEKS Resource Management System.

Additional Time to Work (ATW) – For grades 1 through 5, this is for students who do not turn in assignments on time. ATW will be held Monday through Thursday afternoons from 4:00 until 4:30, and must be served on the same day.

Attendance – Teachers be sure to check attendance at the beginning of each class period on grade speed. If a student is tardy, without permission, fill out the new tardy form, have them sign it and turn into office. If you need to change a tardy or an absence, be sure to inform Mrs. Tate, as soon as possible. All students who have been absent must present to you an admittance slip for you to sign, on their return to your class.

Between Classes – All teachers will need to be standing at their doorway during class exchanges to help monitor and greet students.

Cafeteria Service – Only 1 Charge will be allowed.

Class Management Plan – All teachers will be required to have classroom rules visibly posted in their rooms. These rules should be short, simple and direct, but most of all, be enforced consistently. Remember, students who are busy and on task are less likely to be disruptive. Be sure to review these rules early and often. The students need to know your expectations. Show respect to earn respect, we are the adults.

Detention – Noon and after school detentions will be primarily used for policy infractions. It will be your responsibility to request a failing student to come to your morning tutorial or after school study hall. If you request and they do not comply, then disciplinary action will ensue, as long as administration is made aware.

Discipline – Be fair, consistent and document in all things.

Enforcement of School Policy – **It is every faculty member’s responsibility and duty to enforce any and all school board policy.** If we do not enforce it, we accept it. That makes us just as guilty as the students who break them.

Exemptions – Grades 8 – 12, who are currently taking regular high school courses will have the opportunity to be exempted based on grades and attendance. Exemptions will be for all students in grades 8 – 12. Every student will be required to take two of the four core subjects per semester. Math and ELA first semester/Biology and Social Studies second semester. **For the purpose of exemptions all absences count.**

- Maintain an 80 average per class with 0 absences
- Maintain an 85 average per class with 1 absence
- Maintain a 90 average per class with 2 absences
- Maintain a 95 average per class with 3 absences

If a student has too many absences for I class period they lose exemptions for all classes.

If a student owes money for any reason, they will automatically lose all exemptions.

Evaluation of Staff – The professional staff of Roscoe Collegiate ISD will be evaluated as specified by TEA. This process should be viewed as an instrument to help us become the best we possibly can be. It is a tool for improvement and nothing more.

Extra-curricular Calendar - It is imperative that anyone who schedules an activity or event, that they inform the office as soon as possible. This will help us avoid any conflicts and also spread the word to the rest of the school and community. All Forms need to be completed.

Faculty Dress Code – We need to dress professionally to meet the general standards accepted by the community for business and office wear. Appearance needs to be clean and neat. Coaches need to wear athletic clothing only during athletic periods.

No one needs to leave until after the football team does.

Personal Business and Phone Calls – These matters need to be taken care of during your conference periods or lunch. If an emergency occurs, contact the office to have someone present to supervise your class. **We do not need to use our own cell phones during a class period.**

PTC (Planning, Training, & Collaboration: We will have a PTC (Planning, Training, and Collaboration) period on every single Friday morning at 7:25 am in the AVID room.

Retest – Students have the right to take a retest upon receiving a failing grade for a major exam or they may be allowed to do corrections. Retest need to be given in Saturday School or during our Night School.

Roll Check – Checking roll, on gradebook, needs to be one of the first things you do, when class starts. If you make a mistake on a tardy or absences, be sure to let Mrs. Flores know, so that she can correct it.

Rounds - Everyone will be involved in Rounds at least once a six weeks, as an observer and as the classroom being observed.

School Functions – Teachers are strongly encouraged to take an interest in school functions and show their interest through their attendance. While attendance at athletic contests, school plays, band concerts, etc. are not required, what better way to show your students that you genuinely care about them and the Roscoe ISD community.

Sponsors – It is imperative that you set the example for your organization in all things. All school sponsored meeting and activities must be cleared with an administrator first. The office must be notified if an activity or a meeting is being planned to avoid scheduling conflicts and help prepare. Sponsors need to be present at all meeting and functions. Students are to follow all school policies when participating in extracurricular activities.

STAAR – State of Texas Assessment of Academic Readiness

STEM – Science, Technology, Engineering, and Math

Students Changing Schedule – Students can only change schedules during the first week of each semester or the last week of a semester for the future semester. They must also get approval from the two teachers, counselor, and administrator before a change will be made.

Summative Assessments – We will strive to conduct three summative assessments per six weeks. Two of them can be at the end of a chapter or a unit. The last one needs to be the six-week assessment which needs to be made in Eduphoria for data collection. Also the semester exam needs to be comprehensive over the entire semester.

Teacher Absences – If you are ill and need to be absent please notify your campus administrator as soon as possible, preferably before 7:00 a.m., to give us an opportunity to find a sub. If you are going to use a personal day or want to schedule a workshop; you need to let us know (administrators) a week in advance. Required materials for the sub:

- A roll sheet for each class
- An adequate lesson plan with plenty of relevant work for students
- Seating Chart will make a subs job easier
- A complete schedule that identifies time and room schedule for each class
- Textbooks and all needed materials already ran off
- All materials should be easy to located for the sub, secretary, or principal
