Regular Board Meetings will contain a Hear from Patrons agenda item specifically for our community to voice concerns to the board in a courteous and respectful fashion. Patrons presentation will be limited to 5 minutes per person/topic, however the time may be reduced further at the board's discretion. The board will listen to the concerns however, the board will not respond in any manner at that time.

Special board meetings and may be called as necessary; special board meetings will have a Hear from Patrons agenda item. However, the Hear from Patrons presentations are limited to topics listed on the agenda only.
