

Roscoe Collegiate ISD Lone Star Governance Training

Roscoe Collegiate ISD is excited to announce a third round of Lone Star Governance (LSG) training. Since 2017, RCISD has maintained an LSG trained board. In 2020, the board underwent new training with the appointment of two new board members. Now, with board member elections around the corner and potentially four new board members entering public service, we are planning Lone Star Governance training for the four unseated candidates, the Superintendent, district and campus admin, and any community members who would be interested in attending. This training will take place on Friday and Saturday, April 16th and 17th, 2021.

Founded on research, LSG is a continuous-improvement model for governing teams—boards in collaboration with their superintendents—who choose to focus intensely on only one primary objective: Improving Student Outcomes

The purpose of Lone Star Governance is to provide coaching and support, through a continuous-improvement framework, for school governing teams that choose and commit to intensely focusing on the objective to improve student outcomes. Lone Star Governance accomplishes this intense focus through tailored coaching aligned to the five pillars of the Texas Framework for School Board Development: Vision, Accountability, Structure, Advocacy, and Unity. In addition to the primary focus on improving student outcomes, Lone Star Governance provides systems for governing legal and fiscal responsibilities.

Community members are welcome to join us for the entire two-day training. If you would like to attend, please click the following link and complete the short survey.

If you cannot attend the full two-day training, perhaps you would be interested in hearing our seated board members present the current RCISD Board Goals for Student Outcomes. This presentation will take place at 1:00 on April 17th. Please RSVP for the board presentation only by clicking the following link: <https://forms.gle/TVLXbhKwaR589jPd9>

Please note that both days of training are considered open meetings, and you are welcome to arrive on the day of the training to participate without prior notice to school staff. Prior notice just helps us better plan for your attendance. We invite you to come and learn along with us!
