

*Oh! the Places
You'll Go!*

**ECC Annual Title I Meeting
&
Meet the Teacher
2025-2026**

Welcome/Bienvenid

o!

Why are we here?

- **The Elementary and Secondary School Act, Title I, Part A, requires that each Title I school hold an annual meeting for the parents and families whose children receive Title I services:**
- **Informing you of the school's participation in Title I, Part A**
- **Explaining the requirements of Title I, Part A**
- **Explaining your rights and opportunities as parents and families to be involved in your child's learning and achievement.**

What is the Purpose of Title I, PART A?

To ensure that all children have a fair, equal, and significant opportunity to obtain a high quality education and reach, at a minimum, proficiency on the TEKS (Texas Essential Knowledge and SKILLS), and on STAAR (State of Texas Assessment of Academic Readiness).

What is Schoolwide Title I?

- **The Every Student Succeeds Act (ESSA) allows a school to be designated as a schoolwide Title I, Part A campus if 50 percent or more of the students come from low income families.**

How does this help my child?

- **Our Early Childhood and Elementary campuses are designated as a Schoolwide Title I Campus. In Title I, Part A schoolwide programs, funds can be used throughout the school to assist in the entire educational program as long as the school meets the needs of the students who are at risk of failing in school. These dollars are being used for:**
- **Identifying students experiencing academic difficulties and providing timely assistance to help these students meet the State's challenging content standards.**
- **Specifically, Title I, Part A funds at Roscoe ECC in the 2025 – 2026 school year are being used to provide enriched reading and math instruction through the support of paraprofessionals in the classrooms.**

Campus Improvement Plan

- **The school's Campus Improvement Plan (CIP) include:**
- **A needs assessment and summary of data**
- **Goals, objectives, and strategies to address the academic needs of students**
- **Professional development needs**
- **Coordination of resources and services**
- **Identification of Title I, Part A funds and expenditures**
- **Strategies from the school's parental involvement policy**
- **Title I parents have the right to be involved in the development of the CIP**

Parent and Family Engagement Plan

- The policy addresses how the school will implement the parent and family engagement program. The policy includes:
- Convene an annual meeting – MAY OF EACH YEAR
- Provide flexible number of meetings
- Involve parents in an organized, ongoing, and timely way, in the planning, review, and improvement of the parent and family engagement plan
- Provide timely information about parent and family engagement activities
- Provide information to parents about curriculum and assessment
- If requested, provide additional meetings with parents to discuss decisions for the education of their child
- Title I parents have the right to be involved in the development of the school policy
- Communication is a two- way street: Phone calls, emails, Remind, Facebook Messenger, Folders, and newsletters.
- Copies of the Parent and Family Engagement Plan can be found in the Student Handbook, RCISD ECC website, and a hard copy is available on request.

School Parent Compact

- **The school – parent compact is a written agreement that addresses high-quality curriculum and instruction**
- **Describes how parents and families, school staff, and students share the responsibility for improved student academic achievement**
- **Stresses the importance of frequent communication between school and home, and the value of parent – teacher conferences (required in elementary school)**
- **Affirms the importance of parents and families in decisions relating to the education of their children**
- **Title I parents have the right to be involved in the development of the school parent compact – we want your input!**
- **Copies of the Student/Teacher/Parent compact can be found in the Student Handbook, RCISD ECC website, or through a hard copy on request.**

Teacher Qualifications

- **Schools are required to notify parents that they have the right to request information regarding the qualifications of their child's teacher**
- **Parents must follow the school procedure to request this information**
- **Check with the school office or district office to make this request**

Annual Evaluation

- **The content and effectiveness of the parental involvement policy and program must be evaluated annually – We do this in May of each year.**
- **Identify barriers to participation in parental involvement**
- **Data and input might include...**

Parent questionnaires and surveys

Parent advisory committee input

Focus groups

These findings are reported to the parents and families and are used to revise the parental involvement policy and school- parent compacts. Changes are made and approved by our Campus Site Based Team.
