

College & Career READINESS

Our STORY

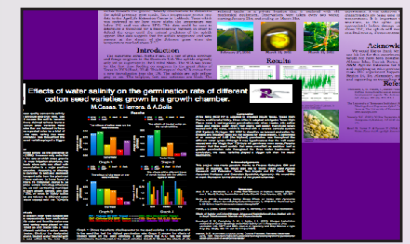

2000	Our enrollment was dwindling, and we needed a solution	
2009	2018	2020
First year as an Early College High School • First student earned AA in 2010	First year as a P-TECH Academy • 90% of graduates earned AA	First year offering non-traditional bachelor degree programs • First 3 students earned BS
Future...	Continue to improve and diffuse the P-20 System Model to other districts through Collegiate EduNation©	

We are dedicated to the goal of 100% of graduates earning an associate degree and/or industry-recognized certification.

We strive for 80% of our students to earn a bachelor's degree and 70% to earn a graduate degree.

Our Support PROGRAMS

- EduNation U Bachelor Degree Programs
