June 28, 2020

Dear Roscoe Collegiate ISD Parents and Student-Athletes,

Over the past couple of weeks, we have seen an increase in COVID-19 cases in Nolan County and in the Big Country area. As a result, exposure to others who may be infected with COVID-19 has also increased. The safety of our students and staff is always our first priority. Beginning Monday, June 29th, Roscoe Collegiate ISD will be suspending all boys and girls Strength and Conditioning workouts along with sport-specific workouts until July 13th.

At this time, we do not have a reported case of COVID-19 among our student-athletes or staff, and the suspension of Strength and Conditioning is only precautionary. We are proud of our student-athletes and staff for their hard work and dedication over the past 3 weeks. They have diligently followed guidelines set by UIL and our district. We appreciate our parents for bringing our student-athletes to summer Strength and Conditioning and for your continued support.

We encourage everyone to take all necessary precautions during this suspension so that we may continue our workouts beginning July 13th. If you have any questions, please contact our Athletic Director, Jake Freeman, at [jfreeman@roscoe.esc14.net](mailto:jfreeman@roscoe.esc14.net).

Sincerely,

Andy Wilson  
Provost  
Roscoe Collegiate ISD
