Dear Parents and Guardians,

Due to unexpectedly low water pressure within the city today, **Tuesday, May 6**, we kindly ask parents to make arrangements to pick up their students early, if possible. While early dismissal is encouraged for safety and comfort, **buses will continue to run at their regularly scheduled times** due to field trips and transportation commitments.

We would also like to inform the public that the **FFA Banquet remains scheduled for 6:00 p.m. this evening**. To accommodate current conditions, **a portable restroom will be available on site for event attendees**.

At this time, we anticipate that school will resume as normal on **Wednesday, May 7**.

Thank you for your understanding and continued support as we prioritize the well-being of our students.

Sincerely,

Dr. Guillermo Mancha
Superintendent of Schools
