Money made at this time is used for ALL 4-H activities and events including camps, entry fees for contests and everything else needed for the year. You do not have to be showing an animal to assist with the concession stand. However; this year we are asking if you are showing an animal and have the time to contribute; please sign up and help out with the Concession Stand.

If you haven't signed up to work, please call the office at 236-6912 or stop by the office to see what time slots available.
