Dear Parents of _____,

Roscoe Elementary is continuing the morning tutorial initiative designed to help our students achieve their very best in all academic areas. This tutorial time is called Accelerate! The focus of this additional time is on bridging gaps in knowledge and skills. We will use this opportunity to implement interventions that should empower your student to compensate for learning difficulties. Your student has been selected to attend morning Accelerate! Students who will be eating breakfast at school, will need to be in the cafeteria by 7:20. Thank you for helping us provide the best possible education for your child.

Sincerely,

Crystal Althof
